Report on the conduct of the Liquidation

1. Comments on Asset Realisation

All remaining assets were sold via public auction. Debts due to the company were collected. Those that couldn't be collected were written off as bad debts. All GST refunds have been collected.

The Liquidators have conducted an investigation of the company's books and records to establish if there are any potentially voidable transactions and further to ensure that the directors have complied with the duties and obligations imposed on them under the Companies Act 1993. It was determined there were no issues, worthy to pursue.
